JULIE GAILLARD DESIGN / DASRAS COMPANY

«*Liseré*, (border) small edge applied to a fabric is also the creeping and **twining plant** that takes up space stretching like the Ariadne's thread from one room to another.

I love this idea of modest but permanent force that leads the eye to lines which extend without interruption of life.»

16 / JULIE GAILLARD

After a Master of Arts at the Sorbonne, 10 years in the communications sector and the Ecole Boulle, applied arts school, Julie Gaillard tackles interior architecture and design in the broadest sense.

In March 2011, she decided to recount the world as she sees it by creating her own trademark, and her company in June 2012 : Julie Gaillard design.

She was quickly spotted by Cocotte Design to take part in **DESIGNER'S DAYS**, her first exhibition at the Espace 13, rue de Sevigne in Paris.

In January 2012, she presented her first collection at the **Maison & Objet NOW DESIGN** tradeshow, and in September 2012, the first pieces of the *Liseré collection*. A ludic and functional design **MADE IN FRANCE**, environmentally friendly, manufactured and edited by French artisans.

A FEW DATES:

In October 2012, she took part to the **Biennale of Pantin** on eco design. **MILAN** at the Salone del Mobile (April 9- 13) with MEET MY PROJECT. (Brera district) **DESIGNER'S DAYS** in June, in Paris (Think and More concept store, rue Saint-Honoré.)

SEPTEMBER 2013 / JANUARY 2014 : **Maison & Objet / NOW! DESIGN GALLERY IVAN PTAKHINE** «You are beautiful», 75002 Paris (dec - jan 2014)
WANTED DESIGN - NYC - 15 au 19 mai 2014

Today, *Liseré* collection continues to grow with a collection of platters and mirrors to take place in all rooms of the house in a timeless, sleek and functional way.
